

St. Leo School Volunteer Application

We sincerely appreciate the investment of your time as a volunteer. To begin volunteering at St. Leo School you must first complete a volunteer application. The Diocese of Lexington seeks to create a safe place for students that are free from crime, violence, drugs and abuse at all times. To keep our students safe, St. Leo School obtains criminal history records of all prospective volunteers who will be working with students. All volunteers are required to submit a background check application and complete an online education program. The program will provide the *"Safe Haven-It's Up to You"* Safe Environment training video, Pastoral and Technology Codes of Conduct concluding with a background check. The background check has a fee of \$19.00. Please submit the fee with the volunteer application. The program takes about 60 minutes to complete. Our volunteer participation brings added gifts and talents helping to St. Leo School to achieve its fullest potential. We thank you in advance for all your time and support.
